### **OUR STORY**

Superior is a family owned and operated company that embraces change, encourages innovation, and strives for value-driven growth.

"I think the Superior difference is that we deliver. If you ask us to do a job, we won't take that on unless we can deliver with 100% satisfaction."

Steve Traut SVP of National Sales

"We like to delight our clients, and the way you delight your clients is to have happy employees who respect each other, who have integrity, and who do the right thing."

> Bob Traut CEO / Chairman

We have relationships with 3 of the 4 largest commercial banks in the nation, and we continue to grow those by listening to them, expanding on that relationship and helping them be successful."

Kevin Traut President / Chief Operating Officer

"My dad has always had this dream of having a family company where all his boys worked, where he saw us every day, we interacted, we got along together, and we were successful. Now, that's all come to fruition, and we couldn't be happier."

> Jason Traut Chief Financial Officer

Trusted by financial institutions since 1931, Superior combines financial industry expertise with state-of-the-art financial printing capabilities to service the high value clients of the nation's top banks. Superior specializes in providing complete, personalized treasury management solutions including check printing, financial forms, cash vault supplies, call center support, and hardware and asset fulfillment. Clients experience the Superior difference with dedicated service representatives, expedited order processing, user-friendly online ordering systems, and flexible service agreements.

Superior achieves outstanding results by fostering an environment that empowers employees, encourages teamwork, and taking personal responsibility for the company's success. The Superior family values integrity and delivers on promises – on time, the first time, every time.

Superior has been delighting clients for more than 80 years with unique, personalized solutions based on a company-wide commitment to client success. We're committed to understanding and eliminating our clients' pain points by listening and fostering relationships based on trust and integrity.
